WEARING/FITTING DIRECTIONS: Insert Powerstep 3/4 insoles into your shoes. If necessary, wear a few hours a day until feet are accustomed to better support, and then wear full time. Suggest wearing Powerstep insoles in all your shoes, even slippers, to give continuous foot support.

CARE INSTRUCTIONS: Spot clean with a mild detergent. Do not immerse in water. Air dry only. Replace your Powerstep insoles as needed depending on wear.

WARNING: Not intended for persons with severe foot deformities or circulatory disorders resulting in infections or foot ulcerations. Consult your podiatrist or medical professional before using. Always consult a medical professional when experiencing persistent pain, discomfort or swelling.
